### **SONOMA COUNTY CABERNET SAUVIGNON**

### **2005**

After 26 years in the wine industry, **SideJob Cellars** founder Jeff Lubin had this crazy idea to start his own wine company. At the time of this epiphany, he was the Marketing Director for Ravenswood Winery so naturally, he decided to produce a high quality, value priced wines from Sonoma County.

With only **860 cases produced**, from grapes grown in Sonoma County's top appellations, this Cabernet Sauvignon expresses Sonoma County's diverse soils and climates with velvety, complex layers of Cassis, blackberry, black cherries and toasted oak.
